Dear Hiring Team,

I am writing to express my interest in the SWE position at your esteemed organisation. With over 1.5 years of experience as a Software Developer Engineer at Shreeva Innovations Ltd, I have honed my skills in back-end Software Development, CDN architecture, and Computer Networking fundamentals. My proficiency in JavaScript, and Go, coupled with expertise in frameworks like React, Express, Next, and Angular, has enabled me to contribute to successful project outcomes.

I feel that my skills are best suited for your firm because during my tenure at Shreeva Innovations Ltd, I designed and implemented complicated systems and solutions in different frameworks and I am confident that my analytical, collaborative, and adaptable nature, along with my in-depth knowledge of multiple technology stacks, will make me a valuable asset to your team. I am eager to bring my expertise to a new and exciting challenge and contribute to the continued success of your organisation.

Thank you for considering my application. I am looking forward to the possibility of contributing to your team and am available at your earliest convenience for an interview.
